

March 23, 2020

Tomorrow our students and faculty begin distance learning. This is a moment we have prepared for and we are ready!

During this time, and in keeping in accordance with the recommendations of the CDC, the school campus is closed. While we will have a skeletal staff taking care of non-teaching matters on campus, students and parents will not be allowed to enter the building or use the athletic fields. All communication with teachers should be via email unless directed to do so by other means.

Additional Middle and Upper School information can be found [HERE](#).

Additional Lower School information can be found [HERE](#).

A list of frequently asked questions / answers can be found [HERE](#).

This process will evolve over time. We will crawl before we walk. Thank you for your patience, encouragement, prayers and support as we begin this endeavor.

For His Glory,

Merle Henkel
Interim Head of School
