

## **Math 7 Summer Work**

### **Students who have not used ALEKS before must create an account.**

1. Use Google Chrome and go to <https://www.aleks.com>
2. Use the ALEKS username and password that was emailed to your parents.
3. Complete the initial knowledge check
4. Once completed, you are expected to work as far as you can throughout the summer but a minimum 50 topics by August 10<sup>th</sup>.
5. Do not put this off or procrastinate ☺, this averages to 5 topics completed per week.

### **Students who have used ALEKS have already set up an account. To add a new subject:**

1. Use Google Chrome and go to <https://www.aleks.com> and login to your account. **If you have issues logging in, email me at [sdubberley@trinitywildcats.com](mailto:sdubberley@trinitywildcats.com)** and I can help you out!
2. Complete the initial knowledge check
3. Once completed, you are expected to work as far as you can throughout the summer but a minimum 50 topics by August 10<sup>th</sup>.
4. Do not put this off or procrastinate ☺, this averages to 5 topics completed per week.

**CALCULATORS should only be used on problems where ALEKS gives the calculator as a tool.**

Feel free to contact me via email regarding any weekly assignment.

Email: [sdubberley@trinitywildcats.com](mailto:sdubberley@trinitywildcats.com)

I will do my best to respond within 24 hours, unless I am out of town.

An assessment will be given the first week of school on the concepts covered in your Aleks assignments.

Have a great summer! See you in August.

Mrs. Dubberley
